ATTENDANCE

The course requires regular attendance and active participation. Minimum required attendance is 70% for all class sessions per semester, which makes up 13 hours of absence at most. You will get an "NA" grade if you exceed this limit. A student who does not fulfill the requirement for attendance is not allowed to take the final exam for the semester concerned and is to repeat the course.

It is your own responsibility to catch up with the class and to make up for any work done during your absence. Missing the class does not excuse you from not turning in assignments. You will not be given a make-up if you miss any in-class graded task without a medical report.

ACADEMIC INTEGRITY

It is the responsibility of students to avoid unethical practices. Cheating during the exams or presenting someone else's work as yours (plagiarism) will not be tolerated under any circumstances. If turnitin.com detects plagiarism in your work, you will be penalized based on the plagiarism policy and disciplinary action will be taken against any student. If you, for any reason, fail to upload your assignment to turnitin, it will not be graded, and you will receive a zero for this assignment.

EXAM

Students who miss an exam will not be given a make-up exam unless they submit an approved medical report or any other official document proving their excuse.

LATE ASSIGNMENT POLICY

All assignments (e.g. papers, presentations, etc.) are expected to be submitted on time. Be sure to pay close attention to deadlines—tasks that are completed after the due date will be deducted points for each day/week late. Tasks that are 1 day late will be deducted 15 points and tasks that are 2 days late will be deducted 30 points. Tasks(papers) that are submitted more than 2 days after the scheduled due date will receive an automatic grade of "0". It is the responsibility of the student to ensure that tasks are submitted appropriately.

- ★ All materials, assignments, and deadlines are subject to change. It is your responsibility to read the course announcements regularly to be aware of any changes or updates in the course.
